My son and I volunteer frequently at the St. Vincent de Paul food pantry. This shared experience has taught both of us so much about service and ministry to others.

— Margie and Peter Cockshott
ST. MONICA PARISH
April 2011

Dear Friends:

The year 2010 will certainly be remembered as a year of new directions for our Indianapolis Archdiocesan Council, an all-volunteer organization! Our nearly 2,000 members in Central and Southern Indiana, along with thousands of ad hoc volunteers, continued to carry out Jesus’ challenge (Matthew 25:40) to share our communities’ blessings with the least of our brethren. Nearly 83,000 people received food from our Indianapolis Client Choice Pantry, nearly 11,000 people received much needed household items from our Distribution Center, and another 5,300+ homeless people received a hot meal, clothing, and personal care items thru our Beggars for the Poor ministry.

However, even more meaningful to me, was our outreach effort to provide funding for our society parish conferences in Southern Indiana. With our help, we saw the St. Vincent de Paul parish conference in Bedford quadruple the income from its new thrift store, which directly benefits the people of Lawrence County. We’ve been able to assist the St. Agnes parish conference in Nashville to accomplish an “energy upgrade” to its distribution center building, which will surely free-up utility expenses for helping the people of Brown County. We’ve committed some matching funds to the St. Mary parish conference in North Vernon toward its new thrift store project, which will benefit the people of Jennings County. Finally, we welcomed the start-up of a new parish conference at St. Bartholomew in Columbus, which will serve the people of Bartholomew County. We are committed to strengthening and expanding our presence in southern Indiana during the coming year, to address the persistent poverty in our smaller Indiana communities!

By your generous financial and in-kind donations to the Society, along with the dedication of thousands of volunteers, we’ve been able to sustain our reach to those in need in Indianapolis, as well as expand our reach in southern Indiana. Thanks to our all-volunteer ministry, the annualized cost of delivering these services in FY 2010 was $7.29 per person! The Indianapolis Archdiocesan Council income for the fiscal year ending September 30, 2010, combined with grant and estate income, totaled $1.07M, and enabled us to support our Indianapolis special works operations serving nearly 100,000 central Indiana people, as well as the outreach effort to our southern Indiana parish conferences. We also made significant HVAC/lighting improvements to our 30th St. pantry facility, which should reap a $10,000/year savings in utility costs! In addition, direct parishioner contributions of nearly $843,000 to our 48 parish conferences resulted in aid to over 56,000 needy people in our central and southern Indiana communities.

We also recently launched the “Changing Lives Forever” initiative, which empowers people living in poverty to plan and make the necessary changes in their lives, with mentoring assistance, to escape from the chains of generational poverty. We are committed to sustaining and growing this vital approach, using the proven “Bridges Out of Poverty” process and materials, to ending poverty through volunteer efforts.

On behalf of the nearly 2,000 Vincentian volunteers in the SSVAP Archdiocesan Council of Indianapolis who logged nearly 200,000 hours in delivering these services to those in need, I thank you for your past support, I beg you for your continued support, and I pledge to you our best efforts in stewardship of your contributions to help those most in need.

With deepest respect and thanks,

Patrick Jerrell
Indy Archdiocesan Council President

Let us cherish the poor as our masters, since the Lord is in them and they in our Lord. — Vincent de Paul
ESTATE SALE RAISES MONEY TO HELP PURCHASE ITEMS FOR THE NEEDY

On October 29 and 30, hundreds of shoppers packed several rooms at the distribution center to select art work, linens, furniture, and other items. Our volunteers had determined these would be of more use if they could be sold at our popular estate sale so the money could be used to purchase items that are truly needed by our clients. This year was no exception: Our volunteers organized and managed the sale of items that thrilled the purchasers and brought in funds that were used to support our clients. Watch for the announcement of our 2011 Estate Sale this fall!

"I want to thank the pantry and all of the volunteers for providing myself and my family with food these past two years. I don’t know what we would have done or how we would have survived without you. We had never been in this position before and it is very difficult to accept charity, but we are forever grateful."

CHANGING LIVES FOREVER

As Pat Jerrell mentions in his letter in this annual donor report, the “Changing Lives Forever” initiative was introduced in 2010. The intent of the program is to break the generation-to-generation poverty and empower people to no longer need the assistance we provide.

INDY 500 DRIVER SARAH FISHER DONATES AGAIN TO SSVDP

Famed race car driver Sarah Fisher again delivered a large amount of food items to the SSVdP pantry from her “12 Days of Christmas” drive to help the area’s neediest citizens. An estimated one ton of food was delivered to the pantry by one of our faithful contributors. Christmas 2010 was the third consecutive year that SSVdP was the beneficiary of the charity of her organization, Sarah Fisher Racing.

We believe this list to be correct and have done our best to include everyone. If your name or business is missing, or if it is misspelled or placed in the wrong category, please let us know.

FFA “DAY OF SERVICE” AGAIN PROVIDES DOZENS OF VOLUNTEERS

Once again, during the annual national conference of the FFA (formerly known as Future Farmers of America), 80 high school-aged FFA members and their sponsors spent their “day of service” at the Pratt-Quigley Center / Food Pantry. Working outside in the vegetable, meditation, and rock gardens, drainage ditch, parking lots and elsewhere on the grounds, as well as inside, sorting and bagging food items, the young people from several states donated more than 300 hours of their time to help with the many tasks at the pantry location.

“The speaker from the Society of St. Vincent de Paul who addressed our group really opened our eyes to what your organization is doing. We knew the group’s name, but we had no idea of the scope of the work being done – and to learn that everyone is a volunteer, too! I am certain that the program will result in some of our members becoming involved as volunteers themselves.”

— President of an Indianapolis organization of retirees

RONCALLI HIGH SCHOOL STUDENTS COLLECT 50,000 POUNDS OF FOOD

Roncalli High School students once again collected and donated a large amount of nonperishable food items – about 50,000 pounds’ worth – on Saturday, November 20, to the St. Vincent de Paul food pantry. Roncalli High School is a long-time, generous supporter. Dozens of students took part in the annual food drive for the clients of the Pantry. One student, Jennifer Feltman, a senior at Roncalli High School, met her goal of collecting 2,011 food items—to match 2011, the year of her graduation from Roncalli.
BEDFORD THRIFT STORE FIRST SOUTHERN INDIANA SSVdP TO BE AIDED BY LOAN FROM INDIANAPOLIS COUNCIL

The Indianapolis Council of the Society of St. Vincent de Paul provided $15,000 to the Bedford St. Vincent de Paul Conference as part of the building fund to make the new facility possible. Because of the surge in sales, the money has already been repaid to the Indianapolis Council, according to Kathleen Bullock, conference president.

“We were pleased to be a part of the drive to get a new building,” said Patrick Jerrell, President of the Indianapolis Council. “The increased sales will directly benefit the needy citizens of Lawrence County.”

Fr. Rick Eldred, pastor of the church in Bedford, also named St. Vincent de Paul, said, “The Society of St. Vincent de Paul is a very important part of our parish life. The financial support from the Indianapolis Council pushed the fundraising efforts over the edge.” He added, “It was a wonderful combination of support from our local people and Indianapolis.”

According to Bullock, the number of volunteers increased nearly 40 per cent with the opening of the new store. “We went from about 900 to 2,800 square feet,” she said. “We own the building while the church owns the land which we lease for a dollar a year.”

SPEAKERS PROVIDE PROGRAMS FOR AREA ORGANIZATIONS

A handful of volunteers continue to provide programs for area organizations. The speakers, trained by Tom DeCoster, have available a PowerPoint presentation to illustrate their talks on the services provided by nearly 2,000 volunteers of SSVdP. Service clubs, parishes, women’s groups, and others have heard the presentations given in the greater Indianapolis area. The members of the speakers bureau made presentations a few dozen times in 2010 and continue to address interested organizations at their meetings. If you know of an organization that would be interested in a presentation, call (317) 923-6775 or email john@shermanandcompany.net for more information and to set up a program.

VEHICLE DONATION PROGRAM BRINGS ADDITIONAL RESOURCES TO SSVdP

In 2010, the Indianapolis Council became a part of a national vehicle donation program promoted by SSVdP. Patrick Jerrell, President of the Indianapolis Council (left), receives the keys to the 1998 Taurus being donated by Kerri Wellman. Joining them is Bernie Weitekamp, the coordinator of the vehicle donation program now being offered by the Society of St. Vincent de Paul. Jerrell is presenting Wellman with a small model car, with the SSVdP logo on it, as a token of appreciation for being the first donor to the vehicle donation program. All proceeds from the sale of donated vehicles will go to benefit those served by SSVdP. The donation was made in front of the SSVdP food pantry on E. 30th St. in Indianapolis. To donate or find out more information, log on to http://www.svdpusacars.org or call (800) 322-8284.

“You don’t know how much you helped us when I was young! My mother had eight children and I don’t know how we could have got along without SSVdP. That’s why I donate to you.”

WALK FOR THE POOR RAISES FUNDS BY “REAL” AND “VIRTUAL” WALKING

The third annual “Friends of the Poor Walk” occurred on Saturday, September 25. Those walking either a one-mile or three-mile route gathered at Washington Park, 3130 E. 30th St., near the food pantry. Some participants were also “virtual walkers,” making their own online pledges and encouraging others to pledge on their behalf. Walkers raised $1,223 and Virtual Walkers raised $845, for a total of $2,068 to be used for local SSVdP works.

CROP WALK BENEFITS SSVdP

A portion of the money raised by the annual CROP Walk benefits SSVdP. In turn, SSVdP provides a truck and a driver to transport supplies for the Walk.
Who would have thought that sorting cans could be so fulfilling? This volunteer labor of love at St. Vincent de Paul food pantry has made simple tasks take on a deeper meaning as we serve the neediest in our community.

REPORT OF INDEPENDENT AUDITORS

The Board of Directors
Society of St. Vincent de Paul
Archdiocesan Council of Indianapolis, Inc. – Special Works
Indianapolis, Indiana

We have audited the accompanying statements of assets, liabilities, and net assets - modified cash basis of Society of St. Vincent de Paul Archdiocesan Council of Indianapolis, Inc. – Special Works, as of September 30, 2010 and 2009, and the related statements of support, revenues, and expenses - modified cash basis for the years then ended. These financial statements are the responsibility of the Organization’s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 2, these financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Society of St. Vincent de Paul Archdiocesan Council of Indianapolis, Inc. – Special Works at September 30, 2010 and 2009, and the changes in its net assets for the years then ended, on the basis of accounting described in Note 2.

1. NATURE OF ACTIVITIES

The Society of St. Vincent de Paul Archdiocesan Council of Indianapolis, Inc. – Special Works ("SVdP"), is a not-for-profit organization located in Indianapolis, Indiana whose mission is to provide basic needs to people and families in need without discrimination. SVdP has no paid employees and its operations are supported completely by volunteers. All supporting donations come directly from individuals, private businesses, and public institutions. The distribution center provides free distribution of furniture, appliances and clothing and long term loaning of sickroom equipment. The client choice food pantry provides free food to the needy regardless of race, religion, or gender. Foodstuffs are procured from Gleaners Food Bank, the USDA, private donors and bulk purchases from vendors.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Method

SVdP prepares its financial statements on the modified cash basis of accounting. Under that basis, contributions and other revenues are recognized when received rather than when promised or earned, and expenses (including food and other items purchased for distribution) are generally recognized when paid rather than when the obligation is incurred. Fixed assets are capitalized and depreciated. The modified cash basis of accounting differs from accounting principles generally accepted in the United States of America primarily because SVdP has not recognized pledges receivable from donors, accounts payable to vendors, and their related effects on the change in net assets. In addition, SVdP does not recognize the value of donated property, goods and services.

Basis of Presentation

The financial statements presented herein include the operations of the distribution center, food pantry, E.A.S.Y. Food Program, and development and administrative departments. These activities constitute the “Special Works” division of SVdP. These financial statements do not include the “Council” division of SVdP, which acts as the central umbrella for the organization, collects dues from members, and pays for annual convention and national meeting expenses. These financial statements also do not include the balances and activities of the Society of St. Vincent de Paul Conferences which are groups throughout the geographic region that serve the needy locally.
Net assets, support, revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of SVdP are classified and reported as follows:

**Unrestricted net assets** – Net assets not subject to donor-imposed restrictions. SVdP maintains two unrestricted funds as follows:

- *Operating* - includes all programs and administrative functions of SVdP.

- *Board designated* - includes all funds not available for general operations without the prior approval of the Board of Directors.

**Temporarily restricted net assets** – Net assets subject to donor-imposed restrictions relating to a stipulated purpose or a specified period of time. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Support, Revenues, and Expenses as net assets released from restrictions.

**Cash Equivalents**

SVdP considers all highly liquid investments purchased with original maturities of three months or less to be cash equivalents, but excludes cash equivalents held by fund managers and included in investments. Cash equivalents are carried at cost, which approximates market value, and consist of bank money market accounts.

**Certificates of Deposit**

SVdP held certificates of deposit at September 30, 2009 with interest rates ranging from 1.40% to 3.90% and maturity dates between October 2009 and May 2010. Interest is recognized when received.

**Investments**

SVdP records its investments at fair market value. Changes in unrealized appreciation or depreciation of investments are reflected in the Statement of Support, Revenues, and Expenses in the period in which such changes occur.
Gift Certificate Inventory

Gift certificate inventory is stated at cost determined on the specific identification method.

Property and Equipment

SVdP capitalizes all significant purchases of property and equipment at cost. The value of donated property is not recognized in the financial statements. Costs of ordinary maintenance and repairs are expensed as incurred. Depreciation is computed on the straight-line method over the estimated useful lives of the assets, which range from 3 to 30 years.

Support and Revenue Recognition

Contributions are recognized as support in the period the cash is received. Support that is restricted by the donor is reported as an increase in temporarily restricted net assets. Support that is not restricted by the donor is reported as an increase in unrestricted net assets.

Contributions that must be used to acquire property and equipment are reported as temporarily restricted support. Absent donor stipulations regarding how long those assets must be maintained, SVdP reports expirations of donor restrictions as the acquired assets are purchased. SVdP reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Income Tax Status

SVdP is exempt from federal and state income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code and related state laws and is not considered to be a private foundation. Prior to October 1, 2008, SVdP was not required to file Form 990.

Estimates

The preparation of financial statements in conformity with the modified cash basis requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amount of support, revenues and expenses during the reporting period. Actual results could differ from these estimates.
Subsequent Events

SVDp evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through February 9, 2011, which is the date the financial statements were available to be issued.

3. INVESTMENTS

The Fair Value Measurements and Disclosures Topic of the Financial Accounting Standards Board Accounting Standards Codification provides a comprehensive framework for measuring fair value and expands required disclosures concerning fair value measurements. Specifically, the standard sets forth a definition of fair value and establishes a hierarchy prioritizing the inputs to valuation techniques, giving the highest priority to quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable value inputs.

The standard defines levels within the hierarchy of inputs as follows:

- Level 1 – Unadjusted quoted prices for identical assets and liabilities in active markets.
- Level 2 – Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets (other than those included in Level 1) which are observable for the asset or liability, either directly or indirectly.
- Level 3 – Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

All of SVDp's investments at September 30, 2010 and 2009 are considered to be Level 1 investments within the fair value hierarchy.

6. RISKS AND UNCERTAINTIES

SVdP's investments (Note 3) are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with these securities and the level of uncertainty related to changes in the value, it is at least reasonably possible that changes in the various risk factors will occur in the near term that could materially affect the amounts reported in the accompanying financial statements.

7. CONCENTRATIONS

SVdP maintains its cash, cash equivalents, and certificates of deposit in financial institution deposit accounts which at times may exceed federally insured limits. SVdP has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash, cash equivalents, and certificates of deposit.

All of SVdP's investments are managed and held by one investment management firm. One money market mutual fund represents 50%, and two exchange traded equity funds represent 29%, of total investments at September 30, 2010. No individual funds accounted for more than 10% of investments at September 30, 2009.

One donor accounted for 10% and 16% of total contributions for the years ended September 30, 2010 and 2009, respectively.
